

## Primitive Archery Guidelines

**This is a primitive rendezvous so there will be  
NO “Pilgrim Class”**

Leave your modern equipment at home and  
come prepared to enjoy.

This years archery includes a trail walk and long archery shoot  
off (last person standing). Times and days TBA

Archery equipment is to appear correct for the pre 1840 era.

Bows were typically made from wood or animal parts.

Arrows from natural materials

wood shafts, self nock

Feathers: turkey, goose, etc.

Points: stone, metal, horn, wood, cooper/tin cones etc.

Bow string to appear made of material correct to the era -  
sinew, plant fiber, silk, linen

**NO PLASTIC NOCKS, NO SIGHTS, NO ALUMINUM ARROWS**

If you have any questions, please give me a call.

I would like as many people as possible to participate and still  
have everyone enjoy this pre 1840 event.
