

Cribbage Tournament -Here's how it works:

Many Horses will start collecting names/entries on Friday, or as soon as she arrives, and continue thru Saturday and Sunday. On Monday morning she will draw names from a hat and pair up players for their first match (best 2/3). Pairs will be posted by 10am at Sweetwater Trading Co, on Traders Row.

Once paired up, you will decide, with your opponent, when and where to play the match. It can be any time on Monday - morning, afternoon, evening...just give her the results by bedtime.

On Tuesday she will again draw names from the winners of Monday's play and match them up with new opponents for another round of play. Same for Wednesday and the play-off for Champion is Thursday.

Last year we included a "losers" match (optional) and that gave everyone a chance to play at least 2 matches if they wished. Many Horses will match up the losers of Monday's match and draw name for another set.

Participating in the cribbage tournament is a great way to meet people, make friends and see more areas of camp.

You'll be amazed how many of us cribbage players there are.

PPR Cribbage Champions:

2015 - Old Scout

2016 - Randy Martin

2017 - Debbie Martin

2018 - Ground Thumper

There will be several camps participating in "Open Hand Games" to teach.
